CALL FOR PAPERS 21st Biennial IPSO Congress Mexico City, August 3 - 6, 2011

THE INTERNATIONAL PSYCHOANALYTICAL STUDIES ORGANIZATION announces its 21st Congress, to be held in conjunction with the

47th Congress of the IPA
(INTERNATIONAL PSYCHOANALYTICAL ASSOCIATION)

The Mexico Congress will be an international celebration of the 100th anniversary of the IPA, the culmination of the local and regional celebrations of 2010.

The overall topic of the joint Congresses will be

**EXPLORING CORE CONCEPTS:
SEXUALITY, DREAMS AND THE UNCONSCIOUS**

The aim of this Congress is to explore core concepts such as sexuality, dreams and unconscious in a way that seeks to go beyond the variety of models, cultures, traditions, training approaches and clinical practices. In addition, a second theme of the Congress will be discussing “*disruption and repair*” which may occur both inside and outside the consulting room.

These concepts are horizontally shared by the whole psychoanalytic world and make our culture unique both for analysts in training who first come in contact with the unconscious matter and for analysts who have accumulated deep knowledge during years of practicing.

DEADLINE FOR CONGRESS SUBMISSIONS: December 1, 2010

The IPSO Congress offers a unique opportunity for candidates from all over the world to share their experiences and participate in an international scientific event that enhances their theoretical and clinical knowledge.

The IPSO Congress in Mexico will include a Plenary Session, Scientific Presentations, International Supervisions, and Peer Discussion Groups.

Proposals may only be submitted electronically - either online or by e-mail. Submissions should be in the language in which you intend to present your paper. Submissions should specify which type of activity (Paper or Supervision) is being proposed, the title and an abstract of no more than 500 words included.
